Library Report.

To the Citizens of the Town of Gilford:

In compliance with the requirements of this town, your library trustees herewith submit to you our annual report, together with that of the treasurer of the library funds for the year ending Feb. 15, 1910.

The library at the present time contains 2086 volumes; added since last report, 86 volumes. Of these, 82 volumes have been purchased with the appropriation from the town and the rest have been given.

The record of the librarian is as follows: The total number of volumes loaned the past year has been 1,831, classed as follows: Fiction, 1,796; history, 16; general literature, 26, poetry, 3. The largest number of books loaned in any one day was 35. Ten new names have been added to the list of borrowers during the year. Donations have been received as follows: Edwin A. Hyatt of St. Albans, Vt., 3 volumes; Jas. Harsburgh, Jr., 1 volume; 1 annual report from Washington, D. C.; 1 report N. H. Agriculture from United States; 1 report of the Librarian of Congress from Washington, D. C.

With the library's present steady growth it will soon require a more commodious place for its accommodation. And while we may avail ourselves of the Carnegie free library fund, on condition of our raising each year 10% of the cost of the library building, it would seem best to your trustees that the town consider the proposition at an early date. We believe the necessary expense would be something like \$1,500, and 10% would raise about the same amount our library costs each year.

Respectfully submitted,

O. M. SANBORN,

FRED R. WEEKS,

W. F. HARDING,

School Report.

SCHOOL DISTRICT OFFICERS.

Moderator, Thomas E. Hunt.

District clerk, Otis A. Rowe.

School board, Charles E. Curtis, Edwin P. Jewett,
Julia M. Rand.

Treasurer, Charles P. Hunt.

Auditor, Addie L. Eaton.

To the Citizens of the Town of Gilford:

The school board respectfully submit this, their annual report.

Herbert A. Jones was elected treasurer, but resigned after three months. Charles P. Hunt was appointed to fill the vacancy. The truant officer, Albert W. Smith, has enrolled 127 scholars in the September enumeration.

We think the schools have given general satisfaction. Experienced teachers have been employed for all the schools.

We would earnestly recommend that parents try to lessen the number of cases of absence and tardiness.

Under the State Aid law of 1909, Sec. 1, this would materially increase the length of our schools. We have maintained four schools 28 weeks, four 27 weeks, and one 23 weeks. The school in Dist. No. 1 was obliged to close at the end of the third week of the winter term, on account of the sickness of the teacher.

The repairs on school house in Dist. No. 4 have been completed and a new wood shed has been built. In districts Nos. 3, 4 and 6 the school houses have been painted two coats each, thus adding much to their exterior appearance. All of the houses now in use are in good condition with the exception of a few minor repairs.

We extend our thanks to all those who have assisted us in any way in the school work.

Following is the roll of perfect attendance, statistical table and financial report.
